Friday, June 1, 2007

Report respectfully presented to council from the ERP Committee meeting held as a Committee of the Whole on Friday, January 1, 2007, in Council Chambers at 16:13 h.

The following were present:

Chairperson- Councillor Jim Gibson

Councillor – Ed Aiston

Councillor – Robert Reid

Reeve- Tammy-Lea Sonnenburg

Councillor – Dave Foote

1 CBO Report – good report

- a) Request that CBO to act as on-site inspector during garage work– conflict of interest – will inspect as usual, contractor to repair or rectify if not to code
- b) Suggestion to compare costs of replacing roof with replacing the entire building – an engineered building may cost little more than properly replacing the roof

2 Disposal Site Reports

- a) Confirmation of tasks - memo from Kevin Mooder – all OK'd
- b) **Action** – Clerk to contact Fr. Brennan to ensure that contractor knows that construction material from the Church is to be taken to Deux Rivieres or Bissett as opposed to Stonecliffe
- c) **Action** – Clerk to inform disposal site attendant – no longer to place mattresses/carpets etc. in a separate pile that they are to go in active hole with residential waste
- d) **Action** - Contact Leveque Bros to keep Stonecliffe disposal site gate locked

3 Recycling Reports

- a) Recycling and request for bins at Stonecliffe site – **Action** - Clerk to check that Special Clean Up stats are truly reflected in separate report – **Action** – Clerk to contact Recyclers and OK provision of bin at Stonecliffe site
- b) Recyclers and commercial operations – encouraged to use bins at disposal sites – Township to provide a short list of recyclable materials for operators to deliver to campers – **Action** – Councillor Gibson to contact local operators with arrangements, specifically Deux Rivieres operators

4 Financial Report – no unusual items

5 Unfinished Business

- a) McMahon/Perry severance for Line's and Trapper's Road – Clerk read comments from Planner in Request for Comments re: Mr. Yates paying for extension of the road, the fact that it is now an open road. **Action** – Clerk to write to Mr. Yates indicating that we have recommended that the severance proceed that we have no comments on the issue of fairness, that consent be granted as it meets the conditions of our zoning by-law.
- b) Deux Rivieres Cemetery – Lawrence Desjardins and grass cutting fee of \$100 per month. **Action** – That Clerk contact Lawrence and request an amended fee proposal to include the newly grassed area surrounding the Veteran's Memorial. That costs be expensed to appropriate departments – cemetery and parks.
- c) FYI - July 13 – date of presentation from April Cappel - Buylocal campaign

6 New Business

- a) Clerk's Report on Blue Box Best Practises – accepted by Committee – no recommendations.

RECOMMENDATIONS

1. That recycling bins be placed at the disposal site in Stonecliffe for use by local businesses.
2. That the Perry/McMahon Request for Comments be completed indicating that consent be granted.
3. That Lawrence Desjardins be contracted to cut Deux Rivieres Cemetery and the additional area surrounding the Veteran's Memorial, contract fee to be adjusted accordingly.

Meeting adjourned at 17:02h.
