

SCHEDULE "A" to By-law 2008 -29

THIS AGREEMENT made in duplicate this 14th day of December 2008,

between

Sylvie Chevarie, doing business as "**RECYCLAGE UNIVERSEL R. D. J.**"

hereinafter called the "Contractor"

THE PARTY OF THE FIRST PART

and

THE CORPORATION OF THE UNITED TOWNSHIPS OF HEAD, CLARA &

MARIA, hereinafter called the "Municipality"

THE PARTY OF THE SECOND PART.

WITNESSETH that in consideration of the covenants hereafter reserved and contained and in consideration of the fulfilment of the respective promises and obligations herein set forth, **THE PARTIES HERETO AGREE AS FOLLOWS:**

1. The Contractor hereby agrees to pick-up uncontaminated recyclable material placed in clear plastic or clear blue plastic bags left curbside on the routes as described in Appendix B of this Schedule. which are publicly maintained and transport the materials to the Contractor's recycling processing plant where the material will be processed and sold by the Contractor, all proceeds remaining the sole property of the Contractor. Any collected material which is not recyclable will be returned to the Municipal waste disposal site in Stonecliffe. The Contractor will be granted access to the disposal site for this purpose and will inform the disposal site attendant of the amount and type of material being deposited.

The Contractor will supply bin(s) for the deposit of uncontaminated recyclable material from commercial operators and residents of Bissett Creek and Deux Rivieres. These bins will be located in a central site as determined.

2. The Contractor hereby agrees that all recycling pick-up shall be performed promptly, neatly, carefully, thoroughly and efficiently and shall comply in all respects with the provisions, conditions and terms contained herein.
3. Large furniture, appliances (including white goods) and other cumbersome matter will be collected, curbside, twice per year, in spring and fall with dates to be determined and advertised at a later date. These same materials will be removed from the Township disposal sites from time to time as required.
4. Scrap metal, couches and mattresses will be collected from our disposal sites in Stonecliffe, and Bissett Creek as necessary. The Contractor will pay to the Municipality \$25.00 per ton for scrap metal and the municipality will pay \$12.00 per couch or large mattress and \$6.00 per single mattress. Payment will be made at least annually. For record keeping purposes, a receipt/invoice will be issued with payment for this material outlining the total tonnage and total fees paid to/from the Municipality.

5. With the Townships' assistance, the Contractor will produce and distribute (at their expense) an information sheet to inform the public about benefits of recycling, accepted materials and any changes.
6. All designated premises shall receive a recycling pickup every second Monday. All recycling pick-up shall commence not earlier than 7:00 a.m.

If the scheduled Monday should fall on a holiday, collection will take place on the next day that is not a holiday.

7. Should a change to the agreed pickup times or to the agreed list of recyclable material be desired by the Contractor and be approved by the Municipality, then the Contractor shall inform the residents of the Municipality of all such changes by notification sheets being placed in the mail boxes (or on the door steps of each resident) by the Contractor at least seven (7) days before such changes are to come into affect. If the changes are at the Municipality's request, it will be the Municipality's responsibility to advertise said changes.
8. The Contractor shall gather up any recyclable material that may have been spilled from the respective receptacles used for holding the same as a result of his work. The Contractor further agrees to report to the Municipality any person who does not take proper care with or participate in the recycling program by indicating details and the 911 address in the monthly reports.
9. It is agreed that the Municipal Council, or its authorized representatives, shall have the final authority with respect to all issues concerning recycling collection in the Municipality. The Council of the Municipality shall determine whether the Contractor has fulfilled the terms of this Contract.
10. The Contractor shall provide all and every kind of labour, machinery, plant, structures, materials, equipment and money necessary for the provision of the services required of the Contractor hereunder. The Contractor will be responsible for and will be the employer of, all persons involved in the collection of the recyclable materials. The Contractor shall have the necessary replacement equipment available in the event of any equipment breakdown. The Municipality is acknowledged not to have any obligations with respect to any employees including salaries, vacation pay, statutory deductions, employer health tax or otherwise.
11. The Contractor will be responsible for all costs related to rejections by end markets due to quality of the processing of recyclable materials.
12. The Contractor shall be solely responsible for the sale of 100% of the recyclable materials.
13. The Contractor shall ensure that all recyclable materials collected will be processed and transported to markets as efficiently and quickly as possible.
14. The Contractor shall ensure that all applicable licenses and permits required for the operation of vehicles and the collection and transportation of recyclables are obtained and kept up to date and must prove to the satisfaction of the Municipality from time to time as the Municipality may require, evidence that all licenses or permits have been acquired and are in full force and effect. Costs of said licenses and permits are the sole responsibility of the Contractor.

15. The Contractor shall demonstrate compliance with the *Business Names Act*, R.S. O. 1990, chapter B17 by supplying to the municipality proof that the business name has been registered with the Province of Ontario.
16. In carrying out the work as described herein, the Contractor must be careful not to cause injury or damage to any property, public or private, and the Contractor must make good the same, at the Contractor's own expense, in the manner directed by and to the satisfaction of the Municipality.
17. The Contractor shall be responsible for any and all damages or claims for damages or injuries or accidents done or caused by him or his employees, or resulting from the execution of the works, or any of his operations, or caused by reason of the existence or location or condition of the works or of any materials, equipment or machinery used thereon or therein, or which may happen by reason thereof, or arising from any failure, neglect or omission on his part, or on the part of any of his employees, to do or perform any or all of the several acts or things required to be done by him or them under and by these conditions or covenants, and agrees to hold the Corporation harmless and indemnified for all such damages; and, in case of the Contractor's failure, neglect or omission to observe and perform faithfully and strictly all of the provisions of this contract, the Corporation may, either with or without notice (except where in these conditions notice is specifically provided for, and then upon giving the notice therein provided for) take such steps, procure such material, plant, trucks and men, and do such work or things as they may deem advisable towards carrying out and enforcing same, and any and all expenses so incurred may be deducted from the monies due hereunder, and any such action by the Municipality as it is herein empowered to take, shall not in any way relieve the Contractor of his surety from any liability under the Contract.
18. If the Contractor fails to pick up recycling from households on a whole road or street, the Contractor shall be obliged to return the following day and pick up the missed bags.
19. The Contractor shall, at all times, pay or cause to be paid any assessment or compensation required to be paid pursuant to the *Workplace Safety and Insurance Act* (and/or its provincial equivalent), and upon failure to do so, the Municipality may pay such assessment or compensation to the appropriate boards or companies and to deduct or collect such expense from the monies due hereunder.
20. The Contractor shall, at the time of entering into any Contract with the Municipality, make a statutory declaration that all assessments or compensations payable to the appropriate authorities have been paid, and the Municipality may at any time during the performance or upon the completion of such contract require a further declaration that such assessments or compensation have been paid.
21. If GST is to be collected, all billings will include price plus GST and all invoices will include a "GST Registration Number". Failure to provide a GST registration number on the invoice will result in the GST not being paid by the Municipality.

22. INDEMNIFICATION

The Contractor shall indemnify and save harmless the Corporation and their employees from all actions, suits, claims and demands whatsoever which may arise directly or indirectly by reason of a requirement of this Agreement, save and except for damage caused by the negligence of the Municipality or their employees.

23. INSURANCE

a. COMMERCIAL GENERAL LIABILITY

The Contractor shall, at his expense, obtain and keep in force during the term of this Agreement, *Commercial General Liability Insurance* satisfactory to the Corporation, and including the following:

- i. a limit of liability of not less than \$1,000,000.00;
- ii. the Municipality shall be named as an additional insured;
- iii. the policy shall contain a provision for cross liability in respect of the named insured;
- iv. non-owned automobile coverage with a limit of at least \$1,000,000.00 including contractual non-owned coverage;
- v. products and completed operations coverage (Broad Form);
- vi. that 30 days prior notice of an alteration, cancellation or material change in policy terms which reduces coverage shall be given in writing to the Municipality;
- vii. owner's and contractor's protective coverage;

b. AUTOMOBILE

The Contractor shall obtain and keep in force for the duration of this contract, automobile insurance under a standard Automobile Policy with limits not less than \$1,000,000.00 in respect of each owned or leased licensed vehicle.

c. PROOF OF INSURANCE

The Contractor shall provide, together with its executed agreement, a certificate(s) of insurance or certified copy(ies) of the above-referred to policies, satisfactory to the Municipality, together with proof of renewal at least ten (10) days prior to expiry. Provided that if a certificate is provided, all requirements as above set forth must be shown on the said certificate and notwithstanding the provision of any certificate, the Municipality may require that the Contractor provide a certified copy of the policy, if required.

24. The parties hereto agree that the work to be performed under the contract or any part thereof or any monies or orders payable under this contract shall not be assigned or sublet by the Contractor without the written approval of the Municipality. It is further agreed that in the event the said written authority is given, it shall not operate under any circumstances to relieve the Contractor of his liabilities and obligations under this Contract.

25. The Contractor is responsible to ensure that complaints are handled promptly and the situation rectified to the satisfaction of the Municipality.

26. TERMINATION AND/OR PENALTIES

If the Contractor is found to be in default in the performance of any of the obligations contained in this Agreement, the Municipality has the right to demand compliance to the Agreement and if the Contractor continues to be in default the Municipality shall be entitled to withhold payment and/or terminate the contract within sixty (60) days of prior written notice.

The Municipality shall be entitled to terminate this Agreement with seven (7) days prior written notice upon the occurrence of any of the following events:

- (i) The Contractor makes an assignment in bankruptcy, files a proposal in bankruptcy, or is adjudged to be bankrupt, shall commit an act of bankruptcy or otherwise acknowledge its insolvency;
- (ii) A receiver or receiver and manager shall be appointed of any or all of the Contractor's assets; or
- (iii) Should the Contractor abandon this contract.

27. If, at any time, during the continuance of the work, in the opinion of the Municipality, the said work is not being carried out in accordance with the specifications and conditions contained in the contract, or in the opinion of the Municipality, there are substantial ratepayer complaints with respect to the collection of recyclables or in the opinion of the Township the work is not being carried out in a good and workmanlike manner, the Municipality shall have the right to terminate the contract forthwith.

28. In the event of the termination of the contract, pursuant to this provision, the Contractor shall not be entitled to receive further payment until the termination date of the contract, provided that if the unpaid balance of the full contract price exceeds the expense of completing the work, such excess shall be paid to the Contractor. In the event the expense of completing the work pursuant to this contract shall exceed such unpaid balance, the Contractor shall pay the difference to the Municipality.

29. The Contractor shall, at all times, carry on the work in a manner which will create the least interference with vehicular traffic consistent with the faithful performance of the work.

30. Any additional private contracting the Contractor chooses to take on must not conflict with or interfere with the work undertaken in this contract.

31. The term of this contract shall be for thirty six (36) months and shall commence on the 1st day of January 2009 and conclude on the 31st day of December 2011. The contract may be renegotiated or extended at completion date by agreement between the parties.

32. The Municipality shall pay to the Contractor the sum of \$23,000.00 annually for the provision of curbside recycling pick up from private residences in Mackey and Stonecliffe.

33. Recyclables from commercial establishments and from Bissett Creek and Deux Rivieres residents will be collected by the Contractor from a depot bin located in a mutually acceptable central location within Mackey or Stonecliffe.

34. Payment shall be on a monthly basis with the payments to be made on the last day of each and every month for the previous month's work. Such monthly payment shall be one-twelfth (1/12) of the annual contract sum.

35. The Contractor will provide to the Municipality, monthly, a report which will include the total weight of recyclables collected, the number of bags collected and the amount of waste returned to the Township landfill site.

36. Should any section, subsection, clause or provision of this contract be declared by a court of competent jurisdiction to be invalid, the same shall not affect the validity of this contract as a whole or any part thereof, other than the part so declared to be invalid.
