WHEREAS the Town of Arnprior has requested support for its resolution no. 232-09 as follows:

WHEREAS the Province of Ontario has resolved to purchase two new nuclear reactors and is deliberating on whether to buy Canadian technology;

AND WHEREAS Canadian nuclear technology is world renowned, environmentally innovative and currently supports a robust local manufacturing economy;

AND WHEREAS a commitment to buying Canadian nuclear technology would result in a stimulation of the local economy in the short term, while ensuring the future sustainability of these local industries over the long term;

THEREFORE BE IT RESOLVED THAT the Corporation of the United Townships of Head, Clara & Maria be proactive in supporting local industry by asking both the Federal and Provincial governments to commit to Canadian nuclear technology as opposed to foreign nuclear technology;

Resolution #07/08/09/006

Moved by Councillor Gibson and Seconded by Councillor Foote

WHEREAS communities across Ontario are concerned with the Accommodation Review Committee process and the impact this flawed process has on the socio-economic fabric of our municipalities;

AND WHEREAS many schools are the hubs of their communities, a better accommodation review system is needed to address the educational facility needs of our residents;

AND WHEREAS a system to address the educational facility needs in Ontario must ensure that school boards and municipal councils partner on decisions regarding education infrastructure;

AND WHEREAS greater accountability for school board decisions is needed;

AND WHEREAS a thorough review of the governance model for school accommodation decisions must include an opportunity to appeal these decisions;

AND WHEREAS the accommodation review process should respect and value the input of students, parents, the community and municipality;

THEREFORE BE IT RESOLVED THAT the Council of the United Townships of Head, Clara & Maria supports the Community Schools Alliance and petition the Province on Ontario to implement a “smart moratorium” on disputed school closing to provide the opportunity for the Ministry of Education, school boards and municipalities to work together to develop policies addressing such issues as planning for declining enrolments, a mutually agreed upon

Accommodation Review Committee process, a review of funding to rural and small community schools, and transparency and accountability between municipalities and school boards.

AND FURTHER THAT a copy of this resolution be forwarded to our MP, The Minister of Education, AMO and the local school boards.
