5. DEPUTATIONS/PRESENTATIONS – Public Meeting – Budget process Q&A

Short presentation and explanation provided as per documents on the website and handed out at the meeting – made available in the office on May 31. Questions concerned:

- ◆ the amount of reserves as quoted by the audited financial statements – which include the library board;
- ◆ how amounts for reserves are determined – some from auditor, some legislated, some best guess;
- ◆ explanation of reserves and a cushion for known future expenses so that borrowing does not have to occur;
- ◆ assessments and tax increases;
- ◆ demands of the province – legislated requirements and staff having to complete the work even though the issue may not apply to the same extent to a municipality of this size;
- ◆ BB funding and the work required compared to the funds received;
- ◆ examples used and the remaining amount of the 18% - Council and member of the public suggested the simplest explanation as the 18% increase was only 18% of 15% of your total tax bill;
- ◆ Request for an annual public meeting prior to the budget for 2012 – Council will continue – we do have a public meeting planned for waste management for July;
- ◆ No other comments or suggestions were heard.

Council took a break from 2:50 – 2:55 p.m. Some members of the public left the meeting, the majority stayed.

Resolution # 03/06/11/005

Moved by Councillor Aiston and Seconded by Councillor Reid

WHEREAS the introduction of the Harmonized Sales Tax (HST) on July 1, 2010, and its application to gasoline and diesel sales will result in new revenue for the Government of Ontario;

AND WHEREAS based on 201 average price levels of gasoline and diesel, and 2009 average consumption levels in Ontario, the Government of Ontario's projected new revenue will be approximately \$1.53 billion annually;

AND WHEREAS the Provincial-Municipal Fiscal and Service Delivery Review identified a transportation infrastructure investment gap between the Government of Ontario and Ontario's municipalities of approximately \$3.8 billion;

AND WHEREAS a lack of sufficient funding for essential transportation infrastructure construction, maintenance and rehabilitation has created a situation where many of Ontario's municipalities do not have the financial capacity to construct new transportation infrastructure and conduct the maintenance and rehabilitation needed to sustain existing transportation infrastructure;

THEREFORE BE IT RESOLVED THAT the Council of the United Townships of Head, Clara & Maria requests that the Government of Ontario consider directing a portion of the revenue derived from HST charged on gasoline and diesel sales to a new predictable funding mechanism that will allow Ontario's municipalities to make the critical investments needed to be effective stewards on transportation infrastructure;
AND FURTHER THAT a copy of this resolution be forwarded to Premier Dalton McGuinty, hon. Dwight Duncan, Minister of Finance, Hon. Kathleen Wynne, Minister of Transportation, Hon. Bob Chiarelli, Minister of Infrastructure, the Ontario Good Roads Association and to the CAA;
AND FURTHER THAT this resolution be circulated to all municipalities requesting their support.
