Dear members of Council

I am writing to request the use of the hall without fee for a fund-raising event for Old Mackey Park.

We would like to hold our St. Patrick's Day Pub / Bistro Night on Sat., March 15th. We would like to make this a family event, so would like to hold it earlier than a normal pub night: from 4:30 – 9 pm. We would include a Children's Corner with dress-ups (for a parade) and crafts.

Musicians are invited to play/sing throughout the evening. Irish music on CD will also be part of the pub atmosphere.

Entrance would be free of charge to encourage as many residents to attend as are interested – as well as families as a whole.

Irish stew and soda bread would be sold separately as pub food - \$5
Dessert (ice cream with crème de menthe or syrup, green cookies) - \$3
Coffee, tea will be available.
We would also have a bar with a certified attendant.

Door prizes of Irish theme will be drawn. A 50/50 draw would provide more fund-raising.
DONATION jar will be encouraged.

We would also like to request a start-up fund of \$250.

Many thanks for your consideration.

If this works, we'd love our Townships to once again have an annual St. Patrick's Day celebration.

Sincerely,

Catherine Balla-Boudreau
