Liquor Licence – work in process -

Movie Night – The license agreement has been received and some of the requirements to note are that there is a usage report to file and should we earn money over a predetermined amount those funds would be forwarded to the Criterion Pictures. This amount is large and it is not realistic that this

is something we would need to concern ourselves with other than a need to know.

Storage Container – current research has indicated; Cassidy's has a 45' unit for \$5000, A North Bay firm has a 40' for \$3800 + \$800 est. delivery, so 4600 plus. Pricing from Huckabone firm is pending.

6. Sub Committees

St. Paddy's Day – Report submitted by David Balla-Boudreau will be attached to the minutes. The amount netted from this event is \$1055.55. The financial report was not available at the time of the meeting, however the financial report did present some challenges for the treasurer and the report submitted will require some clarification by David or Cathy Balla-Boudreau.

A discussion of the event as well as the financial report submitted, revealed that a good debriefing session is needed in the near future to discuss some of the issues that occurred. Some items of concern are as follows;

- a. Paying money out without a paper trial.
- b. Paying some and not others
- c. Free meals
- d. Confusion on ticket prices
- e. Confusion on food orders ordered ahead
- f. Equipment left in hall overnight no pre arrangement re liability

<u>Trail Side Café</u> – The final earning for the four weekends of the Trail Side Café yielded \$1061.64. It was felt a debriefing be included at the next regular meeting of the Recreation committee, be arranged to discussion this venture and a decision made for its continuation in 2016.

Note for debriefing session- This event brought out some new volunteers and a need for better signage along the trails.

7. Questions and Answers

John Reith asked if it would not be better to buy two shorter cargo containers instead of the one long one as the maneuvering of items in the one long unit will be difficult for volunteers and staff?

<u>Action</u> Gayle Watters to ask the treasurer to cost out smaller units for comparing.
