# Historical Overview and Accomplishments

January 2016

# Eastern Ontario Wardens' Caucus

- 45,000 sq. km
- 750,000 population
- 13 upper and single-tier
- 90 lower-tier municipalities

# What we do

- Monitor federal, provincial and municipal legislation, regulatory and government information
- Conduct research and analysis on issues of importance to rural eastern Ontario
- Political influence and advocacy
- Partnerships (AMO, EOMC, WOWC, CFDCs)
- Communication and representation

## What we do

- **2004 CRF Reconciliation** – “Pay Your Bills” campaign resulted in the Province reversing its decision not to reconcile actual costs for downloaded programs and payment of \$90 million across the municipal sector.
- **Land Ambulance Costs** – Along with AMO strongly advocated on the issue of true 50-50 cost sharing between the province and municipalities. In 2006, the Province announced a three-year phase-in of \$300 million

## Past Successes

- **2005: CFDC/ EOWC partnership** – Federal support of \$10 million per year for the EODP (Eastern Ontario Development Program) to promote the growth of businesses in rural communities. Extended in 2013, an additional \$48 million committed over 5 years.
- **2008: Provincial EODF Program** – \$80 million for the Eastern Ontario Development Fund (\$20M / year for 4 years). One of the EOWC's recommendations. The EODF was made permanent in 2012.

## Past Successes

- **2010-2015: EORN** – Partnership with federal, provincial and private sectors for a total \$172-million investment in high speed infrastructure
- 425,000 homes/businesses acquire access to high speed service, plus an additional 50+ industrial parks acquire access to high-speed fibre
- Approval of EORN Phase 2 in October 2014 – Digital Strategy and Cellular Gap Analysis

# Significant Research
