REPORT TITLE									
MHSW Report 18/11/11/1103									

Subject: Information for Council decision as it relates to collection event day for Municipal Hazardous and Special Waste.

RECOMMENDATION: That Council determine a date to hold a Household Hazardous and special waste collection for 2012.

WHEREAS Drain-All cannot complete a Municipal Hazardous and Special Waste collection event for our municipality until 2012;

AND WHEREAS the dates available are June 2, and October 6 (Thanksgiving Weekend) or October 28;

THEREFORE BE IT RESOLVED THAT the Council of the United Townships of Head, Clara & Maria does hereby select _____ as the most effective date to hold its collection for 2012.

BACKGROUND/EXECUTIVE SUMMARY: Drain All is located in Kingston and Ottawa and holds a large number of events in eastern Ontario. I have contacted them hoping to hold an event in the fall of 2011. Due to volume, there were no available dates until 2012 as indicated above.

The issues are:

1. No event was held in 2011; people may have a large amount of material stockpiled.
2. There appears to be delays in getting approval for a temporary storage at the disposal site in Stonecliffe; Jp2g are looking into it.
3. An event held in the fall may be better attended, with people packing up camp for winter.

FINANCIAL IMPLICATIONS/BUDGET IMPACT: As per the municipal procurement by-law and as the total costs are less than \$5,000 there was no need to go to tender.

POLICY IMPACT: As per policy.
