2. Request from Missing Link for free use of hall for Appreciation Dinner to be held on April 21, 2012. On March 20, 2008 Council passed a resolution declaring that the Missing Link had to pay for use of the hall for all events other than the Appreciation Dinner. Will Council stand up to the decision made previously or do we require a new resolution?

3. At \$1,500 higher than the lowest bid; Ken Giroux has been awarded the Grounds Keeping Contract for 2012 – 2014. Although his bid was not the lowest, Ken had a comparable bid, his equipment was newer and he noted the availability of back up equipment. These factors combined with the excellent job he did in 2011 and the added value in suggestions and work over that required in the contract lead staff to this decision. As noted in all our requests for tenders, the lowest or any bid is not necessarily accepted. Other factors will be considered as well.

4. Paul Eichberg has been hired to work with Terry for the next 6 weeks on the special road clean up. After that time, Bill will work with Terry as required throughout the summer. Have not heard from summer student programs yet except to say that our applications have been received.

5. Road Super 20 years?

6. Would council consider purchasing a line marker for use by the public on the baseball diamond?
