Since my last report to Council I have:

- 1) Completed a two day IMS 200 Training in Deep River, which is required to become primary CEMC.
- 2) New Horizon's for Senior's Program: appreciation dinner, updating budget, researching and booking more workshops; and
- 3) Starting the approval process for the NHSP Capital Grant including submitting additional information, signatures and contract agreements to our program officer.
- 4) Emergency Management Annual Compliance Reporting online. Issues with their system resulted in it not being submitted properly the first time.
- 5) Review of bar inventory, floats and deposits with Mel Theil and finalizing inventory records from 2017.
- 6) Waste data entry and stats for annual reporting.
