Summer 2021 Edition

Mayor's Message

June has arrived and the time of year that Ontario and the United Townships of Head, Clara & Maria celebrates its Senior community. Ontario's medal and recognition programs help us honour the people who make our province a better place to live.

The Senior of the Year Award is given by a municipality to recognize an outstanding senior who, after age 65, enriches the social, cultural or civic life of the community. Seniors who qualify for this award may have contributed to many different fields such as the arts, literature, community service, volunteering, education, environment, fitness, and humanitarian activities.

It is my pleasure to announce Head, Clara and Maria's Senior of the Year for 2021 is Jim Gibson. Since his retirement from "political life" Jim has served as a Board member of the Deep River and District Hospital Foundation.

This foundation provides independent funding for medical equipment, education and facility improvements for our local hospital. As part of a tireless team of volunteers Jim was a catalyst for the huge success of the Catch the Ace lottery that raised a total of \$1,287,695! The "Focused on You" Campaign reached its goal of \$1.75 million recently and Catch the Ace continues online to raise funds for the hospital.

Previous recipients of the HCM Senior of the Year award are: Marlene Gibson, Betty Condie, Linda Chartrand and Gayle Watters. Our heartfelt thanks to all those who make our community a better place to live!
